QUALITY CONTROL

Before the project starts, the quality control team identifies the nationality of the targets in order to supply the government with the proper linguists who have the necessary experience and appropriate qualifications. Once the interception commences all materials are reviewed by a team of translators and editors for the highest level of accuracy. Quality Control staff is billed out at the following hourly rates.*

SUPERVISORS

A highly skilled translator/transcriber is assigned as team head for every project. This team head is responsible for picking the appropriate staff for the project at hand. The team head supervises the project throughout all stages and ensures that our rigorous quality control procedures are followed throughout the pre-production, production, and post-production phases. We maintain clear lines of communication with all parties throughout the project to ensure your complete satisfaction with the resulting interpretation, transcription and translation. Supervisory staff is billed out at the following hourly rates.*
